(Contents continued on page V.)

ENTERED AT SAN FRANCISCO, CAL., AS SECOND-CLASS MATTER

Every Physician Should Have

BABCOCK'S

Diseases of the Lungs

Cloth, $6.00 net

The chapters devoted to Pneumonia and Tuberculosis will be of special interest at this time when treatment of the Diseases of the Lungs is attracting international discussion.

Diseases of the Heart and Arterial System

Cloth, $6.00 net

Special attention has been paid to treatment, and this part of the subject will be found more detailed than is the case with most books dealing with Diseases of the Heart.

By ROBERT H. BABCOCK, A. M., M. D.,

Attending Physician to Cook County Hospital and Cook County Hospital for Consumptives
