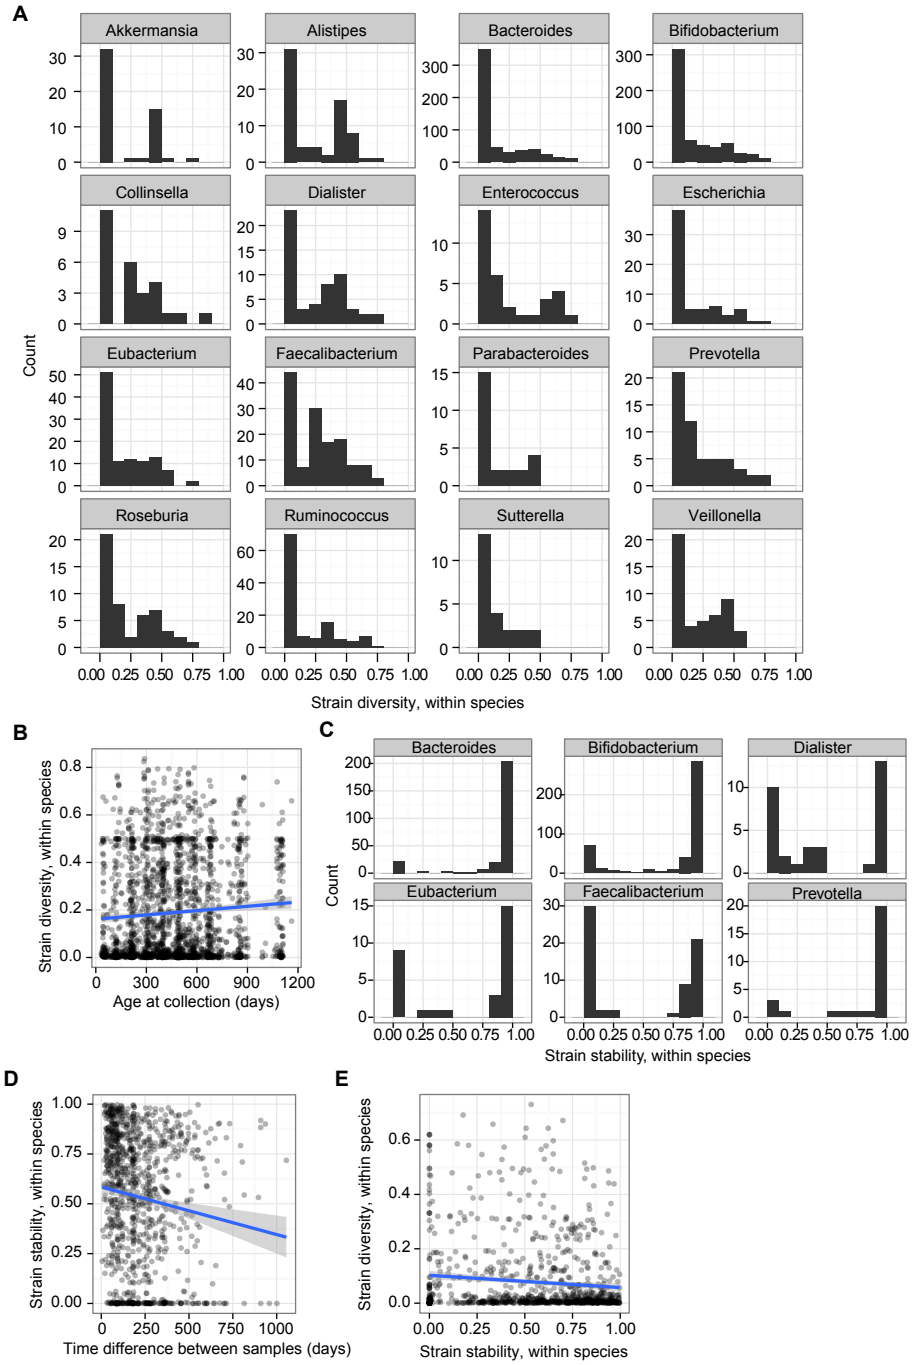
Figure S4



A
Akkermansia
Alistipes
Bacteroides
Bifidobacterium
Collinsella
Dialister
Enterococcus
Escherichia
Eubacterium
Faecalibacterium
Parabacteroides
Prevotella
Roseburia
Ruminococcus
Sutterella
Veillonella
Count
Strain diversity, within species
B
Strain diversity, within species
Age at collection (days)
C
Bacteroides
Bifidobacterium
Dialister
Eubacterium
Faecalibacterium
Prevotella
Count
Strain stability, within species
D
Strain stability, within species
Time difference between samples (days)
E
Strain diversity, within species
Strain stability, within species
